

JOHNNY PAGE

INDUSTRIAL DESIGNER

I strive to design **meaningful experiences, not just products**, at the intersection of empathy, purpose and desire. Based in **Hong Kong** with **permanent resident** status, I am seeking exciting opportunities to grow my design career and collaborate on impactful work.

EXPERIENCE

THREESIXTY GROUP
Industrial Design Intern | Mar 2025 - Sep 2025

Designed wellness, beauty, and home appliances in Hong Kong, later invited to the U.S., gaining experience managing the full product development cycle.

FREELANCE
Branding: Graphics and Packaging Design | Oct 2024 - Feb 2025
Created brand identities for local start-ups, applying them to packaging and websites; growing graphic design, brand strategy and project management skills.

PONTI DESIGN STUDIO
Industrial Design Intern | Aug 2024 - Oct 2024
Gained experience in a fast-paced, design agency environment, working with high-profile clients and streamlining my creative and technical design skills.

FOREO HK
Product Design Intern | Oct 2023 - Feb 2024
Developed a facial device for a premium line, with the team, growing my skills in visualisation, prototyping and understanding the manufacturing process.

CIRCLESQUARE HK
Creative & 3D Intern | May 2021 - Aug 2021
Collaborated with the team to create a promotional retail installation, developing skills in research, ideation, CAD, graphic design, & presentation along the way.
